

# Fees for 2025-2026

(as at Sept. 9 2024)

***AHM may not be participating in the Affordability Grant / Childcare Subsidy programs for the 2025-2026 year or forward due to constraints created by these programs in offering quality childcare. Please inquire during your interview if you have questions around fees or funding.***

Our tax receipts are written as ‘childcare’, allowing you to potentially claim a portion of these fees as a tax rebate. To learn more about applicable deductions, please visit the Canada Revenue Agency’s website.

- There is a \$150 non-refundable application fee per student at the time of registration.
- A deposit is required when your child is awarded placement. This is applied to your last contracted month for tuition (or for Nido students, the month they turn 19 months old) and is non-refundable/non-transferrable, even if you cancel your space before your child begins.
- There is a \$200 Enrichment fee per student per learning season. This fee is non-refundable and due at the time of a placement being awarded.
- There is a \$150 change fee for parent-requested schedule changes made once your registration is submitted and placement has been offered. If the Centre initiates or offers a change in your child’s schedule, this fee does not apply.
- Our Advanced Senior Casa / Kindergarten Enrichment program is available on recommendation only to current AHM students or children arriving from another program.
- Extended hours programs (before / after care) are flexible drop off and pick up within the windows of time noted. Once registered, you are welcome to use the services as much or as little as you like, but rates remain per month. Drop-in space is not guaranteed.

Monthly payments are paid via automatic bank withdrawals (no fee) or post-dated cheques (fee to process).
