

# We're growing... our Christie Crossing campus is launching for 2022-2023!

We are excited to announce our Christie Crossing urban campus, opening for September 2022! This modern 4,000 sq. ft. space has large floor-to-ceiling windows on the main floor, and is a premiere exterior corner unit with vaulted, open ceilings and direct parking lot access. Our students will enjoy a secured green space of over 2,500 sq. ft., immediately connected to our Centre. The complex is located within one block of the cross-roads of 17th Ave and 69th St. SW, with quick access to downtown. We are pleased to partner with Dominion Properties on this exciting next step for our Centre. Learn more about the development at <https://christiecrossing.ca/>!

This campus will offer a limited number of Bambini, Junior, Senior Casa and Kindergarten placements for the 2022-2023 season. Students entering Christie Crossing may start the year at our West Springs campus from Sept - Oct. 2022 as we prepare for our move.
