- There is a \$100 fee per student to apply; non-refundable due at the time of application.
- Junior and Senior Casa:
 - o All children ages 3 through 6 will now participate in our unified multi-aged Casa program. The Junior Casa classes will typically host children ages 3 – 4.5, and Senior Casa ages 4 – 6. The decision for class placement is based on Centre recommendation, and does not affect the fees you pay.
- Registered Kindergarten:
 - o Our Alberta Education Registered Kindergarten programs register children with the Province. Children must be turning 5 before Dec. 31 to qualify, and will be required to move on to Grade 1 in Fall 2023.
 - o Two programs are offered for Fall 2022: Agricultural Kindergarten (a farm-based program with bussing) and Traditional Kindergarten (Christie Crossing only).
 - o If you are interested in kindergarten readiness, please register for Casa.
- A one-month tuition deposit is required when your child is awarded placement, at full list price (no grants or subsidies applied). This is applied to your June 2023 tuition and is non-refundable. Once your child completes this month, you will be reimbursed for any Affordability Grants available from the Province at the posted rate schedule.
- There is a \$200 Enrichment and Safety fee per student. This includes advanced health procedures and equipment due to the lasting outcomes of COVID-19. This fee is non-refundable and due at the time of a placement being awarded.
- There is a \$125 change fee for parent-requested schedule changes made once your registration is submitted and placement has been offered. If the Centre offers your child increased schedule, this fee does not apply.

Monthly payments are currently payable by post-dated cheques, due as one set as indicated in your placement letter. Please inquire for annual or bi-annual payments by credit card, cash or e-transfer.
